General Education Approved Course List

Students entering Florida A&M University in **2015-2016** must complete at least one course from the core list for each subject area - Communication, Humanities, mathematics, natural science, social science, and other general education requirement. "Completion of both the general education core and remaining university-specified general education courses are required for completion of an undergraduate degree" (8.005 BOG; 1007.25(3) F. S.).

Students are required to complete a total of 36 credit hours of general education as indicated below with a "C" grade or above, unless otherwise noted by the academic program in relation to natural science courses.

Communication

Students will demonstrate the ability to communicate effectively. Students will demonstrate the ability to analyze communication critically.

Students must complete a total of 6 credit hours in the area of communication, of which one course must be chosen from the statewide core course list below

- [ENC 1101 Freshman Communicative Skills I \(3\)](#)
- [ENC 1121 HONOR Freshman Composition \(honors\) \(3\)](#)
The additional course may be selected from the approved list below;
- [ENC 1102 Freshman Communicative Skills II \(3\)](#)
- [ENC 1122 HONOR Freshman Composition \(honors\) \(3\)](#)

Humanities

Students will confirm the ability to think critically through demonstrating interpretive ability and cultural literacy. Students will acquire competence in reflecting critically upon the human condition

Students must complete a total of 6 credit hours in the area of humanities, of which one course must be chosen from the statewide core course list below.

- [ARH 2000 Art Appreciation \(3\)](#)
- [HUM 2210 Historical Survey I \(3\)](#)

Note: Science majors are required to complete two courses with corresponding laboratory for each science course for a total of 8 semester credit hours. Please see your academic advisor for appropriate science courses for your major.

Any student who successfully completes a natural science course for which one of the general education core course options in natural science is an immediate prerequisite shall be considered to have completed the natural science core. The student will still need to complete a total of 6 to 8 credit hours of general education science.

Social Sciences

Students will demonstrate the ability to examine behavioral, social, and cultural issues from a variety of points of view. Students will demonstrate an understanding of basic social and behavioral science concepts and principles used in the analysis of behavioral, social, and cultural issues, past and present, local and global.

Students must complete a total of 6 credit hours in the area of social sciences, of which one course must be chosen from the statewide core course list below.

- [POS 2001 Introduction To Political Science \(3\)](#)
- [POS 2112 American State And Local Government \(3\)](#)

University-Specified General Education Courses

Students must complete 3-6 credit hours of university-specified general education of which one course must be chosen from the list of African American courses below.

- [AFA 2000 Intro To African American Studies \(3\)](#)
- [AFA 3104 The African Amer Exp \(3\)](#)
- [AMH 2091 Introduction to African-American History \(3\)](#)

The additional credits may be selected from the list below or any of the approved Mathematics, Natural Sciences, Social Sciences and Humanities courses outlined in the General Education requirements

- [CGS 2060C Computer Literacy I \(3\)](#)
- [HSC 1100 Health for Modern Living \(3\)](#)
- [SPC 2608 Public Speaking \(3\)](#)

Note:

1. *Each School/College expects students to be computer literate by requiring them to take an appropriate course or by certifying that the student has mastered certain computer competencies specified by the school/college.*

2. *Students are required to complete a total of 36 credit hours of general education.*
